TERMS AND CONDITIONS

Reservations

All reservations are subject to availability, the numbers for this trip are strictly limited to ensure the quality of the experience, so early booking is recommended. A deposit (see above) is required to confirm your reservation.
FINAL PAYMENT WILL BE DUE BY 1 APRIL 2007.

Cancellations and Refunds

Please note that if you cancel your reservation after 1 April 2007, your deposit will not be refunded. As we have to pay deposits for accommodation etc, and in some cases, full payment for services, only partial refunds can be made if the cancellation is within 30 days of the start of the programme. We recommend that you take out the requisite travel insurance to cover such eventualities.

Personal Intention

Although our business is called 'Healing Journeys', we would like to emphasise that your intention for participating on this trip should be educational, and not healing. If you have physical or mental problems, and are on medication, then you could find the itinerary very challenging.

Responsibilities

Healing Journeys reserves the right to alter the published itinerary if deemed necessary for the safety and convenience of our travellers.

By registering with us for the published programme, our clients agree that Healing Journeys will not be liable for any damages, loss or expense through any act of omission by any supplier providing services to our party.
